• Disciple Maker’s (DM) Lab May-2020 - August-2020

Project Description: There is a call to every believer to not only be a disciple but to make disciples. The call has never changed and He is still calling. Disciples were made from relationships and time spent with the One Creator, God, and Savior. These disciples in turn went and replicated what the Lord did for them. They broke bread and went from house to house, teaching and making disciples. This is what Disciple Maker’s (DM) Lab is all about. It is relating while teaching, relating while mentoring, and relating while discipling. DM Lab was formed with a burning desire to make disciples of all nations.

Responsibilities: Worked as Sr. iOS Developer starting from requirements gathering, analysis, design, development, and testing.

Technologies: Mobile Application

Industry: Education
